Benefit	Service Offering	Value Function	Value Type	Frequency
Executive Breakfast Invitations	Invitations to exclusive executive breakfasts — including direct government representation — providing senior-level access to key decision-makers and policy influencers.	Network & Visibility	Service	Ad Hoc
NEDLAC Policy Participation	Access to NEDLAC structures to engage and debate policy — giving your business a seat at the table where national trade and labour policy decisions are shaped.	Industry Representation	Representation	Monthly
AfGTA Strategic Outreach	Be part of shaping South Africa's logistics response to the African Continental Free Trade Area (AfCFTA) — the world's largest free trade area by member states. Gold and Platinum members receive direct input into SAAFF's strategic AfCFTA engagement, ensuring that member business interests inform SAAFF's planning, outreach, policy positioning, and cross-border trade facilitation priorities as intra-African trade integration deepens.	Industry Representation	Representation	Ad Hoc
Executive Thought Leadership	Workshops with reciprocal associations and global best practice partners — building your leadership capability and connecting you to international industry thinking.	Learning & Development	Service	Bi-Annually
ICFF Professional Discount	A 20% two-year discount on ICFF professional evaluations — our highest ICFF discount, reserved for Gold tier members.	Cost Benefit	Financial	Ad Hoc
Escalation Management	Root cause analysis via the SAAFF ticketing system to determine corrective action — including formal escalation platform access, issue classification and prioritisation, and limited root-cause assessment where evidence allows.	Industry Representation	Escalation Service	Ongoing
Regional Networking Invitations	Invitations to regional networking events across KZN, GP, WC, and EC — keeping you connected to the right people in your region.	Network & Visibility	Service	Ad Hoc
Marketing & Promotional Opportunities	Visibility across SAAFF's communication channels — including the website, newsletters, and social media — to amplify your brand within the industry.	Network & Visibility	Service	Ad Hoc (Limited)
CPD Workshop Access	Access to Continuing Professional Development (CPD) workshops hosted by ICFF on a quarterly basis — keeping your team's knowledge current and their credentials sharp.	Learning & Development	Service	Quarterly
FIATA Waybill Access (Paper & Digital)	Access to both paper-based and digital FIATA e-Waybills to support your international freight documentation across all formats.	Legal & Compliance Support	Service	Ad Hoc
Non-Tariff Barriers (NTB) Reports	Monthly access to Regional Pulse reports on Non-Tariff Barriers — keeping you informed on trade obstacles and policy developments that could affect your operations.	Regulatory Intelligence	Information	Monthly

Working Group Participation	Inclusion in select member forums, projects, and working group discussion groups — giving your business a voice in shaping industry solutions.	Industry Representation	Representation	Ad Hoc
Lobbying & Advocacy	We engage Government, SARS, and all relevant Other Government Agencies on your behalf — ensuring your voice is heard where decisions are made.	Industry Representation	Representation	Continuous
