THE SAAFF 2026 NATIONAL ROADSHOW

Dear Member,

There is real momentum around SAAFF's 2026 Annual National Roadshow - **“RESOLVE: From Friction to Flow”, starting on Tuesday next week in the Western Cape.**

The team is excited to meet everyone 'at home base' as we, together with the attending government representatives of the South African Revenue Services (SARS) and Other Government Agencies (OGA), get ready to take the conversation

forward around the country, tackling issues that matter in your daily operations which ultimately define the way SAAFF serves our membership community and industry.

Bring your questions, your experience, share your reality and your ideas – this is your opportunity to engage directly and help shape practical solutions while building a strong future environment for freight forwarders, trade and economic growth for the nation.

Four cities. One shared goal. Let's make it count! Here's where we'll meet:

Date	Province	Venue
Tuesday, 27 October	Cape Town	King David Mowbray Golf Club
Thursday, 29 October	KwaZulu Natal	AHA Gateway Hotel Umhlanga
Tuesday, 3 November	Gauteng	Summer Place Conference Centre Boksburg

Come and connect with the experts, take a deep dive into the challenges affecting legitimate trade, and help turn shared ideas into workable improvements.

Already registered? We look forward to seeing you!

Still need to book?

Join us and bring the colleagues who would

benefit from being part of the discussion.

We know month-end is a busy stretch, so thank you for making time to be part of this important conversation.

**Have a great weekend. We wish you a strong, productive month-end.
We look forward to see you at the 2026 SAAFF Annual Roadshow!**

Dialogue. Solutions. A Stronger Tomorrow.
